

**THE WORLD'S ONLY ORCHESTRAL WRESTLING TAG-TEAM**

# BRAWL AT THE HALL

**An immersive and interactive sports concert experience. Bodies collide, set to the world's most incredible music in virtuosic displays of athletics and sound.**

**Hijinks, cat-calls, and raw physical theatre.**

**You have never experienced anything like it.**

**"Probably the most out of the box and craziest concert I've ever played in my 30 years in the business. Wildest, loudest audience who absolutely bought into it, and an outrageous amount of fun for us as players."**

**- Karl Stobbe, Concertmaster, Winnipeg Symphony Orchestra**

**"The audience was fully immersed in the experience and showed up with a lot of energy, many of them at the WSO for the first time. I have had people coming up to me months later telling me how much they loved the show."**

**- Chris Fensom, Principal Trumpet, Winnipeg Symphony Orchestra**
